

Discovering Partnership Seminar

PARTNERSHIP: *“a cooperative relationship between people or groups who agree to share responsibility for achieving some specific goal”*

We believe partnership is an important spiritual commitment, and want every partner at The Quest to understand the significance of this step. Therefore, we ask everyone considering partnership to attend a “Discovering Partnership Seminar”. We cover important issues, such as – the purpose of the church; the responsibilities of partners; what the commitment to partnership involves. At the end of the seminar you’ll have the opportunity to decide if partnership at The Quest is the right next step for you.

Discovering Partnership Seminar is scheduled for Sunday, July 23rd at 4:00 pm.

We provide a meal, childcare and the seminar at no charge. Please let us know you plan to attend by registering and indicating ages of the children who need childcare.

INVESTIGATING

HOW WE KNOW.
WHY WE FOLLOW.

INVESTIGATING JESUS 1 SOMEBODY HAD TO TELL IT

The foundation for the Christian faith rises and falls on the identity of a single person – JESUS of Nazareth.

Do you believe Matthew, Mark, Luke or John wrote reliable accounts of actual events?

Many people have set out to write accounts about the events that have been fulfilled among us. They used the eyewitness reports circulating among us from the early disciples. Having carefully investigated everything from the beginning, I also have decided to write an accurate account for you, most honorable Theophilus, so you can be certain of the truth of everything you were taught.

Luke 1:1-4

Is Luke a liar?

Next Sunday @ The Quest

Little did Luke know that his investigation of the life of Jesus would still be impacting people's faith and belief some 2000 years after he wrote to his friend Theophilus. Join us next week as Luke reveals how the “admirers” of Jesus didn't shape civilization, the doers of His words did.
