

# Quest Connect Groups

Quest Connect Groups meet each week to discuss the message from Sunday, encourage each other, and grow in faith together.

*Stop by the information center or visit our website for a list of groups, contact a host and make the connection this week.*

*Childcare is available at the church for Wednesday night groups.*

**Register online by midnight Sunday** for childcare service this Wednesday.

1. How would you rate the current quality of your connections in a Crowd, Circle and Cord?
2. Read Acts 2:42-47 as a group. What can we learn from the early church in Acts about forming a Christ-centered community? What stands out to you about this 1<sup>st</sup> century community of believers?
3. Can you think of an example when you experienced spiritual growth because you were pursuing God with others in your community?
4. How can we foster a culture of encouragement within our group?
5. Which of the aspects discussed in the message do you think your current community could improve upon and how?
6. What steps do you need to take in order to pursue more Christ-centered community? Ask the group to pray for your next steps.

## Created for Community 2 Connection Power

*All the believers devoted themselves to the apostles' teaching, and to fellowship, and to the breaking of bread, and to prayer.*

*Everyone was filled with awe, and the apostles performed many miraculous signs and wonders. And all the believers were together and shared everything they had. They sold their property and possessions and shared the money with those in need. They worshiped together at the Temple each day. They broke bread together in their homes with glad and sincere hearts—all the while praising God and enjoying the favor of all the people. And each day the Lord added to their fellowship those who were being saved.*
