

Quest Connect Groups

Quest Connect Groups meet each week to discuss the message from Sunday, encourage each other, and grow in faith together.

Stop by the information center or visit our website for a list of groups, contact a host and make the connection this week.

Childcare is available at the church for Wednesday night groups.

Register online by midnight Sunday for childcare service this Wednesday.

1. Which part of this message was most impactful for you and why?
2. Think about the way Jesus lived and loved. What stands out to you about His life, and how could that influence the way you live yours?
3. Share a truth about Jesus that helps you remember how He is different from other world religions. How does this truth impact your view of God?
4. Read **Romans 3:22**. Jesus is the only way to God, but everyone is invited into a relationship with Him. What thoughts and feelings come up when you consider that truth?
5. What sets Christianity apart from other religions in terms of how it deals with human failure? Why is the resurrection of Jesus so crucial to Christianity?
6. How does Jesus' statement in **John 14:6** that he is 'the way and the truth and the life' challenge our modern perspectives on truth and tolerance?

Doubting God 4
Is Jesus Really The Only Way?

Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."

John 14:6

Mark 2:16-17
Luke 24:39-43

Acts 3:15
John 14:6

And if Christ has not been raised, then all our preaching is useless, and your faith is useless.

1 Corinthians 15:14

We are made right with God by placing our faith in Jesus Christ. And this is true for everyone who believes, no matter who we are.

Romans 3:22

*****Next Step Reading – Luke Chapter 24*****

Next Sunday @ The Quest

It's easy to think of doubt as a sign of weak faith. But it's not. God isn't afraid of our doubts, so we don't have to be either. As we conclude our "Doubting God" series, we'll explore the dynamics of Scripture and Science. Can we believe in Scripture and Science?
